Founded in 2009, Indian Servers is one of the fastest growing IT companies in India having strong strategic alliance with leading global companies and capability to handle orders of any size offering varied services like Application Development, Maintenance & Support, Gaming Services, Mobile Application Development Services and Telecom Testing Services

AND

Yogi Vemana University, a state-run University established by the Act of the Andhra Pradesh state Legislative Assembly in 2006. The University is an Emerging Premier State Varsity dedicated to Teaching, Research and Service. Named after a renowned philosopher – thinker, poet, sage and Yogi, Vemana, Yogi Vemana University, established in the year 2006, by an Act of A.P. state legislature is a blessing and boon for the students and researchers of the backward Rayalaseema region in general and Y.S.R district in particular. The erstwhile Sri Venkateswara University Post Graduate Centre was elevated to a University with a humble and noble intention of providing a more conducive environment to impart value-based education and promote quality research and service. The university is committed to nurture and uphold healthy academic standards which contribute to the social, intellectual and moral development.
