The Internal Quality Assurance Cell (IQAC) was established in September 2013 at Y.S.R Engineering College of Yogi Vemana University. The following are the goals

1. To develop a quality system for conscious, consistent and catalytic programmed action to improve academic and administrative performance in the University.
2. To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Functions of IQAC

1. Development and application of quality benchmarks/parameters for the various academic and administrative activities.
2. Dissemination of information on various quality parameters in higher education.
3. Organization of workshops, seminars on quality related themes and promotion of quality circle.
4. Documentation of the various programmes/activities of the Institution.
5. Acting as a nodal agency of the institution for quality related activities.
6. Preparation of the Annual Quality Assurance Report (AQAR)

Benefits of IQAC

1. Build an organized methodology of documentation and internal communication.
2. Act as a dynamic system for quality changes in the University.
3. Ensure enhancement and integration among the various activities of the institution and institutionalize good practices.

New Initiatives Started at Yogi Vemana University

1. Computerization of Admission process and strict adherence to schedule.
2. Evaluation of Teachers by students.
3. Collecting students feedback about their overall opinion on University.
4. Collection of feedback from parents on admission process, course structure, hostel facilities, system of Exams and Evaluation.
5. Conducting instant examinations (failed in two papers at UG level) immediately after the announcement results of the main examinations to help students to save their one valuable academic year.
6. Efforts to maintain Cleanliness and make a Green Environment in the campus.
